

If you are unvaccinated, have received only 1 of the 2-dose regimen vaccines, or qualify for a vaccine booster, our clinical staff can give you either the Pfizer-BioNTech, J&J Janssen, or Moderna vaccine in our office.

**Current days and times providers are available to administer vaccines:**

Friday, 11/5, 1 pm – 4:30 pm  
Friday 11/19, 1:30 pm – 4:30 pm

**Requesting an appointment**

To schedule an appointment for vaccination, please email our office at [info@cynthiagreggmd.com](mailto:info@cynthiagreggmd.com) with COVID VACCINE in the subject line. Please include your full name, DOB, indicate your preference of Pfizer-BioNTech, J&J Janssen, or Moderna COVID-19 vaccine, preferred appointment date, your current vaccine status, and your email address where we can reply with your appointment confirmation.

When we receive your email, we will register you with the NC Department of Health & Human Services (NCDHHS) and email you with an appointment time and additional information. There is no cost to you for the COVID vaccine, and you are not required to be insured to receive it.

We are unable to schedule appointments or answer questions by phone. Please use the email listed above for all vaccine-related communications.

[Click here](#) to determine if you qualify for a booster.

We are pleased to offer vaccines to our community to help stop the spread of COVID-19 and again ask that you please email any questions or appointment requests to [info@cynthiagreggmd.com](mailto:info@cynthiagreggmd.com).
